Zonne (8W)

SKU: OZ8C-S

With a radiant 8W output, casting a crisp 4000K colour temperature glow at an impressive 950 lumens, the Zonne redefines convenience and sustainability. Equipped with an adaptable solar panel that can be effortlessly adjusted, and a design that allows the light to be separated and placed away from the solar panel.

Ultra thin design, 2 in 1 installation.

Light can be removed from the cable and used as a torch.

120° 8 meter PIR detection distance.

Adjustable solar panel, 180° vertical, 360° horizontal.

Explore Ovia Lighting...

Click Flow

Makes wiring a lighting circuit easy, using a combination of connectors, hubs & management boxes.

Domestic Lighting

Fire rated downlights with pre wired flow connectors and integrated light source, IP65 downlights through to LED strips.

Amenity Lighting

This range covers many applications, ranging from LED star lights through to external bollards and wall lights.

Controls

Designed to help improve security, save energy and money, our range of sensors will automate lighting.

Utility Lighting

A complete range of fluorescent equivalent products provides a solution for a wide range of retrofit and new installations.

Commercial Lighting

Panel lighting and downlights with multiple features and benefits with a variety of installation methods.

Industrial Lighting

Our Highbay lighting has been created to suit a variety of applications and are suitable for suspending from ceilings or wall mounting.

Floodlighting

An extensive range of powerful and efficient flood, wall packs, street lighting and solar powered lighting.

Emergency Lighting

Bulkheads, exit boxes, surface/suspended exit boxes, downlights, twin spots & emergency accessories.

Lighting Design Service

We offer a free lighting & connection design service, allowing customers to access free lighting design schemes.
