

# Mains Voltage LED Marker Light IP67 Stainless Steel Aurora Enlite

**Product Code:** EN-ML1/\*\*  
**Stock Qty:**

## Product Description

A small mains voltage LED marker light with a 42mm overall diameter. Unlike other LED marker lights the M-Lite from the Aurora Enlite range has an integrated LED driver and LED light source. As it requires no additional items it is easy to order and even easier to install!

The low energy 1W LED produces 63 lumens which offers a subtle background lighting effect. Rated at IP67 it is fully water and dust resistant and can be used outdoors or indoors. Outdoor applications include patios decking pathways or paving stones. Indoor applications include plinths low level lighting and general bathroom ground lighting. Available in warm white cool white or blue colour types.

## Specification

- Wattage: 1 x 1W
- Input Voltage: 100-240V AC
- Beam Angle: 25 degree
- Finish: Stainless Steel
- IP Rating: IP67
- Power Factor: 0.46
- Lifetime: 30 000 hours
- Colour temperatures & Lumens:  
Warm white 3000K - 63 lumens  
Cool white 4000K - 66 lumens  
Blue - 17 lumens
- Colour rendering index CRI: 80
- Surge Protection: 1.5 kV
- No. of LEDs: 1
- Non Dimmable
- Supplied with an installation tube
- 0.6M of input cable
- Positional Adjustment: Fixed
- Lamp Included: Yes
- Material: Aluminium / Stainless Steel grade 304 not suitable for coastal environments
- Pre-wired with 600mm of cable
- Manufacturer: Aurora Enlite / M-Lite
- Guarantee: 3 Years
