

# Fire Rated LED Downlight Integral Luxury Adjustable IP65

**Product Code:** ILDLFR92C00\*  
**Stock Qty:**

## Product Description

An adjustable IP65 rated version of the luxury range of LED downlights from Integral. These fully integrated downlights contain everything you need including an LED light source and LED driver.

Available in 3 light output types that include 6 watt 430-450 lumens, 9 watt 650-680 lumens and 11 watt 850-890 lumens. Integral luxury downlights have a modern appearance and are dimmable as standard. The compact 64mm height allows them to be fitted into shallow ceiling voids. With a large range of key selling features it can be used as a fire rated adjustable bathroom downlight.
